

6.0 Distribution List of Agencies, Organizations, and Persons

DDOT distributed the EA for agency and public review on their Project website:

<https://www.hstreetbridgeproject.com/>. Agencies and the public were notified of the EA's availability and comment period through distribution of the Notice of Availability (shown on Figure 6-1), as follows:

- Posted to the DDOT and Project websites
- Sent by email to the entities listed in Table 6-1

In addition, a recorded PowerPoint presentation was prepared and was available on the DDOT and Project websites.

**NOTICE OF AVAILABILITY
H STREET BRIDGE NE REPLACEMENT
ENVIRONMENTAL ASSESSMENT RELEASED FOR PUBLIC COMMENT**

The District Department of Transportation (DDOT) in conjunction with the Federal Highway Administration (FHWA) has released for public comment the Environmental Assessment (EA) for the H Street Bridge NE Replacement. The purpose of the Project is to replace the H Street Bridge NE (Hopscotch Bridge) to address structural deficiencies, maintain modal relationships, and support the economic development within and adjacent to the Washington Union Station.

The EA was prepared in accordance with the National Environmental Policy Act (NEPA) and Section 106 of the National Historic Preservation Act (NHPA) and evaluates the proposed replacement and documents alternatives considered, their potential impacts and strategies to mitigate them.

The complete EA is available for public download at <https://www.hstreetbridgeproject.com/>.

The public comment period will remain open through Friday, October 15, 2021. All comments can be submitted to DDOT via the project website (<https://www.hstreetbridgeproject.com/>) or post mail to:
